## MORE INCOME. LESS EFFORT.

Our performance-based model is designed to maximise your returns with minimal involvement. You keep 70% of all revenue with no monthly fees, and we cover all staffing and operational costs, ensuring a fully hands-off experience while delivering consistent income.

## GUARANTEED INCOME OPTION

We are the only property management company in Thailand offering a guaranteed income program, providing secure and predictable returns. This makes it an ideal solution for investors and developers, as well as a strong selling point when reselling property.
